

It is time to go now. Haul away your anchor.
Haul away your anchor. 'Tis our sailin' time.

Get some sail upon her. Haul away your halyards.
Haul away your halyards. 'Tis our sailin' time.

Get her on her course now. Haul away your fore-
sheets.
Haul away your fore-sheets. 'Tis our sailin' time.

Waves are breaking under. Haul away down
channel.
Haul away down channel. On the evenin' tide.

When my time is over. Haul away for Heaven.
Haul a way for Heaven. God be at my side.

It is time to go now. Haul away your anchor.
Haul away you're anchor. 'Tis our sailin' time.
