

- 1) Oh, whiskey is the life of man,
whiskey Johnny!
Oh, I'll drink whiskey while I can,
whiskey for my Johnny!

- 2) Oh, whiskey is the life of man,
it always was since the world began.

- 3) Oh, whiskey straight and whiskey strong,
if you gi' me some whiskey I'll sing you a song.

- 4) If whiskey comes too near my nose,
I tip it up and down she goes.

- 5) Whiskey took my brains away,
one more pull, and then belay.

- 6) Whiskey makes me feel so sad,
whiskey killed my poor old dad.

- 7) Whiskey makes me pawn my clothes,
whiskey gave me a broken nose!
